

Yearbook Dedications

Send a personal dedication to your child through Westchase Elementary 2011-2012 yearbook. On the reverse side of this page is the grid on which to write your personalized dedication to your child(ren). The grid will only accommodate a maximum of 32 spaces per row for 7 rows. That includes letters, spaces between words and punctuation marks. PLEASE PRINT. We will center each dedication as shown below. Remember to proof your dedication before returning it to school with your child, as the dedication will be typed as you have written it.

You may submit one dedication for each child or include a message to all your children using one grid. Each grid used will cost \$10. **If your dedication is longer than 7 rows, it will cost \$20.** With regard to personalized teacher or staff dedications we request one dedication per class. Homeroom parents, please try to coordinate this for your class.

Please send your money to school in an exact amount. We will not be able to make change. **Your check should be made payable to Westchase Elementary PTA.**

We will only be able to accept a limited number of dedications so don't delay—submit your grid ASAP. Our final deadline is February 17, 2012. Contact Cris Kwan at westchase.yearbook@gmail.com with any questions you may have.
